

MH Pro! gives you new productivity functions for 2010 to make your manhole takeoff and drawing process more efficient

POS - a Protractor On Screen that eliminates the need to get paper drawings for angle measurement

Tracks and documents structure submittal and release status

Graphically inserts storm water cleaning technology in submittal and shop drawings

Above what MH Pro! always gives its users:

Accurate drawings, configured to specifications, that improve quality and are e-mail ready in seconds

Bill-of-material reports that include all structure data and miscellaneous items of any type

Structure and piece data up-loaded to other systems

And quotes, detailed pipe take off and rebar if desired.

Wouldn't you like your bottom line improved by MH Pro!

...As MH Pro! Helps You Cut Time and Cost!

Here Is What Some Of Our Customers Say About MH Pro!

 <p>AMERICAN CONCRETE PIPE COMPANY, Inc.</p> <p>2448 CENTURY ROAD P.O. BOX 10508 GREEN BAY, WISCONSIN 54307-0508 PHONE: (920)-494-3436 FAX: (920)-494-3472</p>	<p>“Our users like MH Pro because it is much faster than CAD and FBE has great Customer Service and problem solving support. MH Pro is also easy to learn and we have successfully cross-trained several employees eliminating the problem of not having coverage during vacations, etc.”</p>
 <p>1717 Stillwater Ave. Veazie, ME 04401 207-947-8334 Tel 207-947-3580 Fax 800-432-7843 Toll Free www.americanconcrete.com</p>	<p>“We were impressed with the appearance of the Shop Drawings and Submittals, and they have created positive remarks from our Design and Consulting Engineers, as well as our in-house production people, who have asked why we didn’t go to this program sooner.”</p>
 <p>1645 Sydenham Rd Kingston, ON K7L 4V4 (800) 223-0012 phone (613) 546-4540 fax www.anchorconcrete.com</p>	<p>“The staff of Anchor Concrete wish to thank you for the quality of the MH Pro manhole takeoff software you are providing us with. The product is easy to use and is an effective productivity enhancing tool. Keep up the great work and we look forward to further updates from you including the rebar add ons.”</p>
 <p>1203 70th Ave. Roberts, WI 54023</p> <p>Tel: 715-749-3927 Fax: 715-749-3960 800-426-1126</p>	<p>“We began 6 years ago with FBE with just an idea of what a computer takeoff program should do, and I think what we have now with MH Pro! is a state of the art takeoff program that is the best in the industry.”</p>
 <p>KOHNEN CONCRETE PRODUCTS, INC. 503 Green Street P.O. Box 276 Germantown, IL 62245 Phone: 618-523-4266 Belleville: 618-277-2120 Fax: 618-523-4751</p>	<p>“The first six months of using MH Pro EZ has resulted in improvements in every possible aspect.</p> <ol style="list-style-type: none"> 1. Takeoffs are much faster and easier for employees to do. 2. Quotes are more professional, quicker and more detailed. 3. Engineer submittals are less tedious than writing by hand and have gotten a lot of praise from the engineers we work with.”
 <p>PIPE & PRODUCTS INC</p> <p>PO BOX 1191 TEL 519-632-9112 2691 GREENFIELD ROAD 866-537-3338 AYR, ONTARIO FAX 519-632-7440 NOB 1EO WWW.MCONPRODUCTS.COM</p>	<p>“MH Pro! EZ is a fast and easy manhole design tool for our engineering staff, producing clear and precise shop drawings and reports.</p>
 <p>1 Shaw Dr. 1101 Highway #2 P.O. Box 2130 Lantz, NS B2S 3G4 Phone (902) 883-2201 Fax (902) 883-1273 www.shawpipe.com</p>	<p>“MH PRO EZ is a great system. The software has actually saved us money with the ability to draw manholes faster and with fewer mistakes. The drawings always look professional and do a wonderful job of presenting the manhole information to the consultant, contractor, and production floor. There has never been a challenge presented to them that they were not able to overcome.</p>
